

Laminating and
Finishing **SYSTEMS**

DuraLAM Pro S550 and S800

20" and 30" Duplex
Commercial Laminators

DuraLAM Pro S550 and S800

The **DuraLAM Pro S550 and S800** two sided laminators are commercial grade machines designed for years of trouble free operation. Available in 20" or 30" widths with duplex lamination at speeds up to 49'/minute they features a superior hot roller design for scratch free production. The electrically heated rollers ensure fast warm up times, and utilize high quality heating elements that are maintenance free and provide a long life. Years of experience has guided the design of these laminators and every component is selected for its quality and durability. Pair the **DuraLAM** with a DuraFeed and DuraTrim for an outstanding commercial high speed lamination line.

Finishing Applications in Stationery, Advertising, Packaging, Publishing, Security and much more.
