# EASYCUTTER 550

The **EasyCutter 550** automatic trimmer is a convenient, cost-effective finishing solution for trimming duplex lamination. It features an auto-cutting system with a max cutting width of 21.6", as well as a fully adjustable trim position with or without encapsulation. A touch screen control panel and safety shield ensures operator ease of use and safety, while it's compact design makes it perfect for use in small spaces.

**Finishing Applications** in On-Demand Print Shops.

Max. 21.6"

30 ft/min

115 V, 3A
