# GW PT 33MFB

Multi-function Bookletmaker

# GW PT 33MFB

The **PT33MFB** (multi-function bookletmaker) comes with two feeding bins as well as heavy duty stitching heads and face trim. The MFB is capable of creasing, perforating, and partial perforating in one pass. Automatically creasing inline helps prevent toner cracking on heavier weight covers and the perforating options eliminate the need to process sheets beforehand. The PT33MFB is also equipped with a patented progressive crease function, which creates a square back booklet feel and prevents cracking on the thick cover stock.

## Finishing Applications Creasing and Perforating, Stitching and Folding and Face Trimming

### Specifications

Max. 13" x 19"

Up to 3,000 books per hour

110-130V, 15A

	GW PT 33MFB
Infeed size	5.9" x 8.27" - 13" x 19"
Loading capacity	Top Bin: 4", Bottom Bin: 13.8"
Cutting capacity	48 pc. 80gsm + 2 pcs of 128gsm cover
