HLA-2301

Fully Automatic Hot Roll Laminator

HLA-2301

The **HLA-2301** fully automatic laminator offers virtually unattended operation with its automatic feed, laminate, and trim functionality. An ultra-quick warm up time means that in less than 5 minutes, this machine is ready to run single or double-sided lamination at speeds up to 68" per minute. Its color LCD display, heated rollers for crystal-clear, scratch-free lamination, and ability to run films up to 10mil, make the ALM-2301 a valuable addition to any print shop.

Finishing Applications On-Demand Print Shops, Trade Finishing Shops, Offset Print Shops
