Finishing **SYSTEMS**

LAMpro Wildcat R4

Heavy Duty Pouch Laminator

LAMpro Wildcat R4

The **LAMpro Wildcat R4** is a commercial grade 4 roller hot roll laminator. The LCD display and clear keypad makes it easy to operate. The machine has two Programmable Memory Settings to save the ideal temperature and speed for frequent projects. The R4 features 2 heated rollers + 2 cold rollers which guarantee professional grade results and crystal-clear lamination. The large 13" throat allows the machine to laminate a wide array of pouch sizes. Auto shutoff automatically cools and shuts down the machine after usage, saving energy and increasing the life of the laminator.

Finishing Applications in Photo Shops, Print Shops, Office, Educational Settings

Specifications

Max. 13"

19.7"/min

115V AC, 15A,
Single phase

	LAMpro Wildcat R4
