RDA 1420

Rotary Die Cutter

FINISHpro RDA 1420

The **FINISHpro RDA 1420** is a high-speed rotary die cutter utilizing cost-effective flexible dies. At 5000 sheets/hr, it outperforms traditional clamshell and dgital flatbed machines in speed and versatility, efficiently handling long runs. It's ideal for web-to-print template jobs such as round-cornered business cards, playing cards, etc. Its integrated color touchscreen make this die cutter very operator-friendly.

Finishing Applications Customized production for labels, playing cards, packaging, and more.
