QUANTUM BIND

Double Loop Wire Binding Machine

QUANTUM BIND

The **Quantum Bind** is a double loop wire binding machine, capable of working at speeds up to 1000 books/hour. It accepts both 2:1 and 3:1 pitch wires, and feeds, cuts, binds and closes – all in one machine. A color touchscreen, along with it's unique ability to bind varied book sizes without needing the operator to change the mold, make it an outstanding machine.

Finishing Applications in Binding Centers and Print Shops.

Max. 16.5" wide

220 V

Up to 1000 books/
hour

Specifications
