# REVO FLEX

Join the revolution with the all new **Revo Flex** next generation fully automatic laminator. The Revo Flex 4 side trimming system allows for true flush cuts or encapsulating a sheet with lamination. The position of the cuts are fully adjustable to create perfect flush cuts or custom size encapsulation borders. No need for additional processing to trim all 4 sides of a sheet. Feeding, laminating, cutting and trimming are now fully automated with the press of the start button.

**Finishing Applications** On-Demand Print Shops, Trade Finishing Shops, Offset Print Shops
