LAMpro Panther D47HR

The **LAMpro Panther D47HR** is a 47" hot roll laminator, designed specifically for wide-format print finishing. It features large rubber nip rollers for effective encapsulation with duplex laminate up to 13mm. It also features side slitters to trim the laminated sheets, a rear cross cutter for sheet separation, and a foot pedal for ease of use. It also has a take-up roller for slit scrap rewinding while encapsulating and to take up the liner for cold PSpro lamination.

Finishing Applications in Wide Format Print Shops.

Specifications

Max Width 47.2"

Up to 10.8ft/min

AC 220~240V
