LAMpro Panther D65HR

The **LAMpro Panther D65HR** is a 65" hot roll laminator designed specifically for wide format print finishing. It features large rubber nip rollers for effective encapsulation with duplex laminate up to 13mm. It also features side slitters to trim the laminated sheets, a rear cross cutter for sheet separation, and a foot pedal for ease of use. It also has a take-up roller for slit scrap rewinding and to take up the liner for cold PSpro lamination.

Finishing Applications in Wide Format Print Shops.

Specifications

Max Width 64.5"

Up to 9.8ft/min
